We are very excited about the new 3rd Edition of the *Record Book for WASHINGTON'S BIG GAME ANIMALS*. Since size really matters, we have more than doubled the total number of entries since the 2nd edition.

Our newest edition is lavishly illustrated, all color, with great attention to detail! It is a definitive source of big game hunting in Washington. Now with more than 7,000 entries in four categories: rifle, archery, black powder, and shed antlers. Species include bear, cougar, whitetail, blacktail and mule deer, rocky mountain and roosevelt elk, bighorn sheep, wild turkey, moose, and mountain goat. This third edition also features hunting stories by the actual hunters as well as a collection of rare historical photographs and exciting color photographs of record-setting big game trophies.

A book dedicated to trophy blacktail deer and the hunters who pursue them. Made possible only through hundreds of years of experience, this book defines the true science of hunting trophy blacktail deer. Read and learn the tactics and strategies used by the greatest hunters ever to harvest the "Legends of the Pacific Northwest!"

This book features over fifty stories told by the legends themselves, renowned blacktail hunters like Lester Miller, George Shurtleff, Clark Griffith, and Fred & Riley Bean are just a few of the stories along with the photographs of these legendary hunters and the bucks they pursue.

"*Blacktail Legends*" features a complete listing of Oregon, Washington, California and British Columbia for the **TOP ONE-HUNDRED** greatest typical Columbian blacktail and the **TOP ONE-HUNDRED** greatest non-typical Columbian blacktail ever taken.
